## Satisfy your creative appetite!

With a focus on providing local and organic foods to our community our goal is to create relationships with amazing farmers, ranchers, fishermen/women, bakers, and artisans, to make it easy for you to have the freshest ingredients and amazing products delivered directly to your home or office.

We invite you to bring our philosophy to life through your designs. One of the winning designs will brighten the walls of our retail store in Vancouver, Organic Acres Market at 3603 Main St.

While the second design will illuminate the streets of Vancouver, Edmonton, Calgary and Vancouver Island as we are looking to update a selection of vans in our fleet with artwork that represents who we are... your local solution to fresh deliveries.

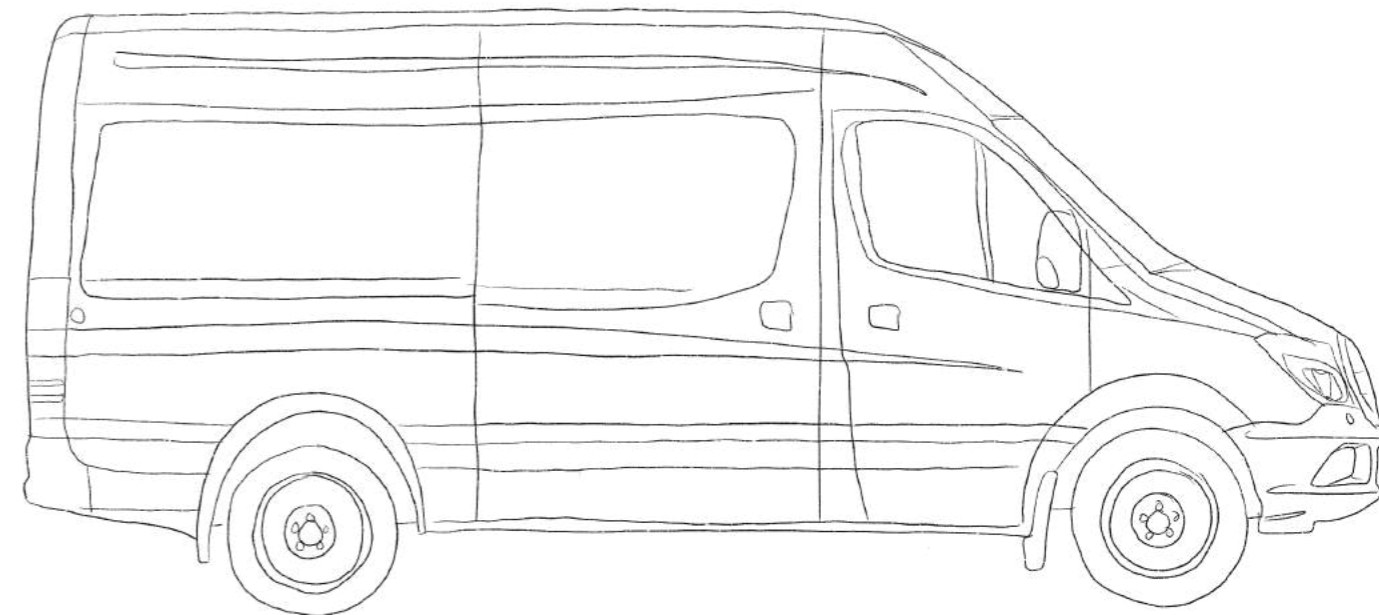

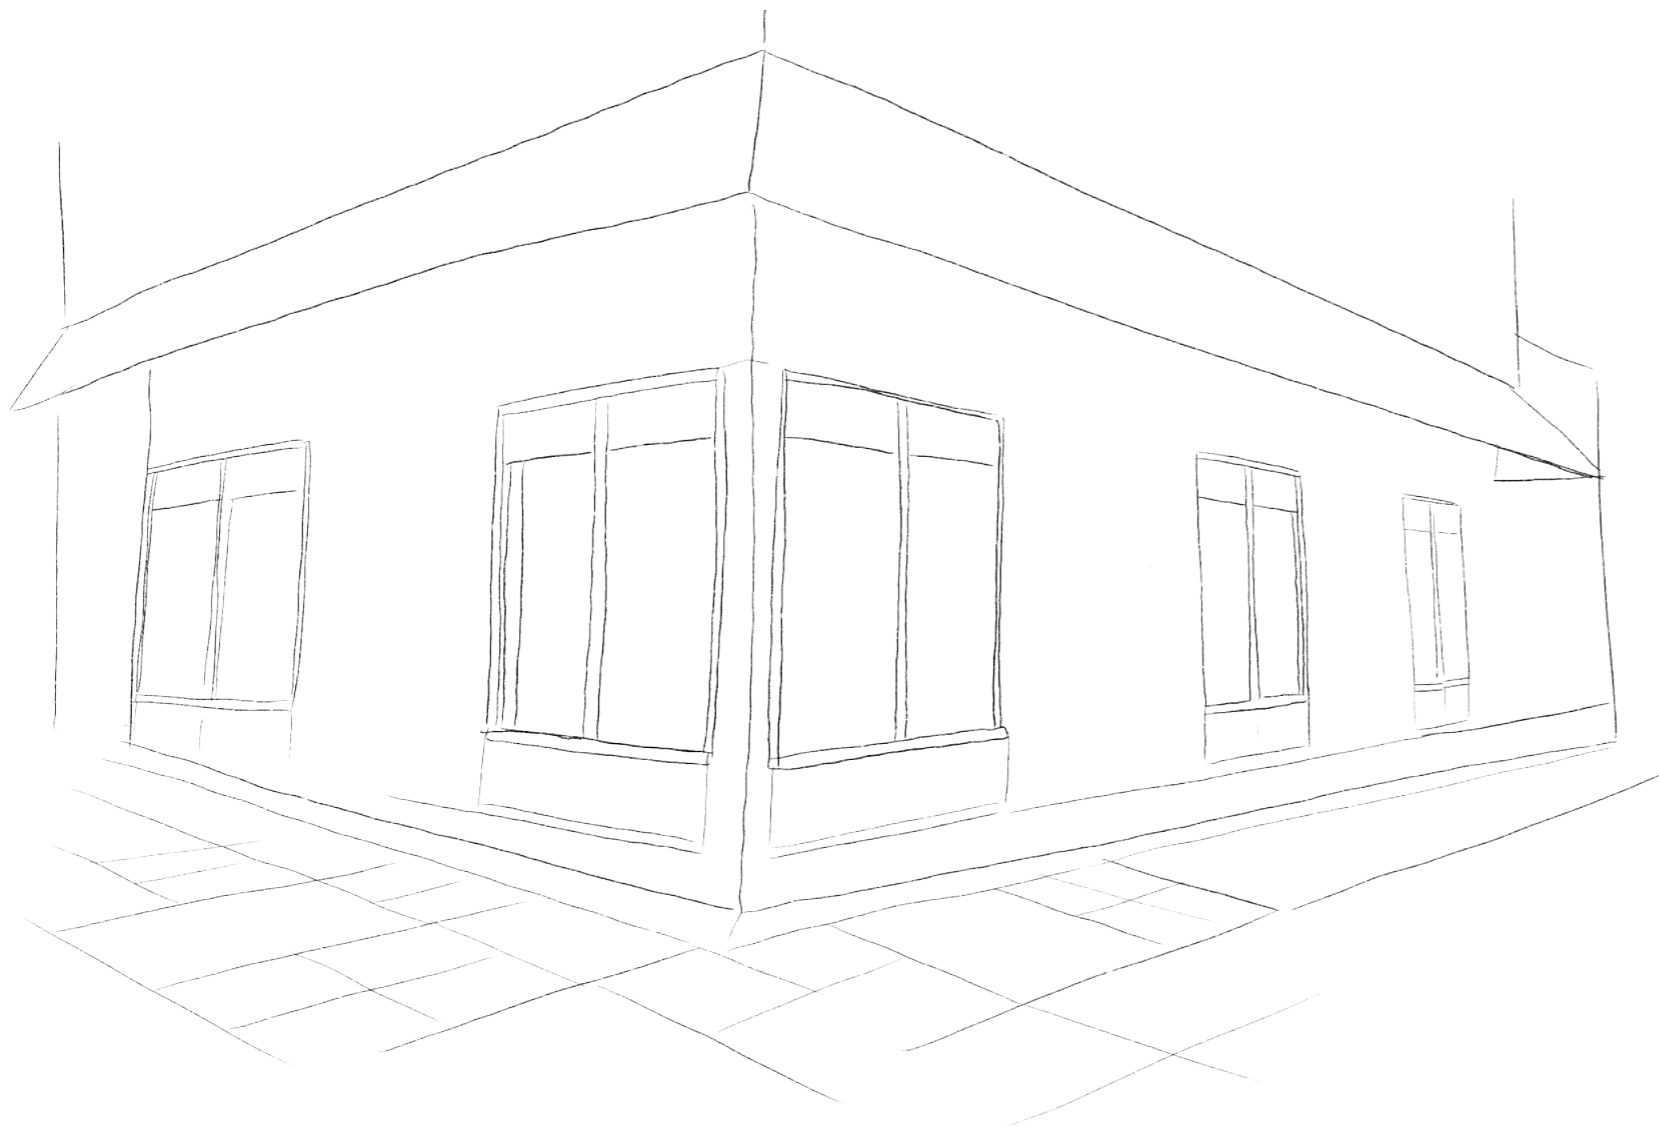

Taking the below representation into consideration we invite you to submit your design. You can enter your design specific to the wall mural, van artwork or both. Please download the relevant files to complete your design.
